Price:

1900.00 \$

This is a good little SUV for a family or a single, and has plenty of room to move pets or cargo. Runs perfectly, great mechanical condition. It doesn't look too bad either, there are a few scuffs and scratches but nothing too terrible. Has a very slow oil leak, but nothing to worry about. 270k miles on the odometer. And the frame has NO RUST!
